

Thank you for adopting from SOLAS rescue!

Microchip Information

Your new pet has been microchipped with a Petlink microchip. The number is:

-SOLAS will automatically register the chip with a basic lifetime registration for you within the next couple weeks. *Microchip is registered for life, but make changes in contact information after the first year requires renewing the registration via your PetLink account.

-Registrations are by email so PLEASE make sure the email address on your contract is complete and legible.

-You should receive an email from Petlink when this is done (check junk folder). Your default password will be "SOLAS123!" – PLEASE change this upon first login. If you do not see this email within a reasonable time frame, you can go to Petlink.net and enter the email you provided and click the option for reset PW. If registration is complete. you will receive a temporary password.

If you have any questions, please do not hesitate to reach out to info@solaspetadoption.org or 402-577-0213.
